Pi Day!

It was a very yummy day for the Everyone!
We ate pie, learned about circles, 3.14, and discovered that even “the dreaded math” can be fun!

Bowling Challenge

Please encourage your student to read and turn-in their reading logs so they can earn this fun reward trip.

Mission Trip Penny Drive

We will continue to collect pennies all week to raise money for the High School Mission Trip to the Philippines. Please send your loose change and cash!

From A Student's Perspective

On Monday, we started the Penny Drive. Tuesday, was the last community dinner. The food was yummy and Erika enjoyed serving the families. On Wednesday, we had a walkout to honor the 17 people who died at the last school shooting. It was also Pi Day so students brought and ate pies. “I memorized 3.14159265389 but that’s all I know,” said Erica. Thursday, grades 1-6 went swimming.

On Friday, we had Big Bro/Sis Buddy Reading with the whole school. All of the little kids read to the big kids. We each wrote and gave nice notes to 13 kids and 3 teachers.

We had a great week!
